"It is not the critic who counts, not the man who points out how the strong man stumbled or the doer of deeds could have done better. The credit belongs to the man who is actually in the arena; whose face is marred by sweat and dust and blood; who errs and comes short again and again; who knows the great enthusiasms, the great devotions, and spends himself in worthy causes; who at the best, knows in the end of triumph of high achievement, and who at worst if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory or defeat." -Theodore Roosevelt

-Roger Lenfest

"At the time everything seems to pass so slowly and people are in a hurry to go fowrad, but when you look back you may realize how very fast it did pass and wish with all of your heart that you could do it again. Enjoy every bit of life because each minute that passes is one more that you can never get back. Live life to the fullest...have no regrets..take nothing for granted!"

-Maureen McGrain

"You will probably remember more about what your teachers did in school than what they wrote in the yearbook. The point is that you should do positive work for others, not just talk about what others need."
